A.A. Principles

Step 9: Made direct amends to such people wherever possible, except when to do so would injure them or others.

Tradition 9: A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

Words from Bill W.

The principle that we shall find no enduring strength until we first admit complete defeat is the main taproot from which our whole Society has sprung and flowered.
