A.A. Principles

Step 11: Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

Tradition 11: Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.

Words from Bill W.

It is a spiritual axiom that every time we are disturbed, no matter what the cause, there is something wrong with us.
