A.A. Principles

Step 11: Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

Tradition 11: Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.

Words from Bill W:

When a man or woman has a spiritual awakening, the most important meaning of it is that he has now become able to do, feel and believe that which he could not do before on his unaided strength and resources alone. He has been granted I gift which amounts to a new state of consciousness and being. Page 85, *As Bill Sees It*
